

**Virgin Radio 107.3 FM Oak Bay Half Marathon  
Sunday, May 26, 2019 7:00 a.m. to 11:00 a.m.  
Windsor Park, Oak Bay (Windsor Park and Newport Avenue)  
Volunteer time required: 4.0 hours**

Safety of the runners is the utmost importance during an event. The runners are relying on us to make sure that they have a safe route to run during the event. Before the event, Road Marshals will be assigned to a specific location, usually at an intersection or a place where the route changes direction. While the event is in progress, the Road Marshals will need to make sure that all runners stay on course. At times, Road Marshals may require traffic to be “controlled” so that the runners may pass through without delay. This consists of asking cars to wait or find alternate routes that do not cross the course route. At high traffic intersections, local law enforcement may be hired to assist with traffic control.

Overall we are hoping our Road marshals will be part of the race cheering squad, helping support and motivate the runners from beginning to the end of the race!

**Let's show that Santa's spirit ☺ email [volunteer@cfaxsantas.com](mailto:volunteer@cfaxsantas.com) to register.**

Typically, most road marshal stations end by 10:30 a.m. Volunteers gather back at Windsor Park for a complimentary snack, visit C-FAX Santas Anonymous Society's Kidz Corner and to watch the 1km Kids Race.

All volunteers will receive a T-shirt.

**Thank you C-FAX Santas Volunteers!**
