

Request For Applications – Special Grants Program

CFAX Santas Anonymous Society is one of Greater Victoria's longest running children's charities, working diligently to serve families with children in need. The Society's goals are accomplished primarily through the delivery of its annual Christmas Hamper program and a Special Grants program that funds community-based projects and programs. More information on the Society can be found at cfaxsantas.com.

The Special Grants Program

The mandate of the Special Grants program is to fund projects and programs that support children, youth (ages 17 and under), and families in the Capital Regional District. Only projects that fall within these objectives will be considered.

Special Grants are awarded annually in the spring. Following receipt of the grant funding and completion of the project or program, applicants are required to submit a final report to the Society.

Please note that the Society reserves the right to share the information contained in an application with other members of the Greater Victoria Funders' Network, enabling members to jointly determine shared priorities and maximize the effectiveness of funding efforts.

Eligibility

Applications may be submitted by private citizens, schools, and registered charities (as defined by the Canada Revenue Agency). In the latter case, the organization's charitable status must be verified to be in good standing.

If an applicant has previously received a grant, a final report must have been received prior to submission of a new application. Applicants are limited to one submission per granting period.
